Research Analysis

HB 3767, as introduced, adds substances to the list of Schedule I drugs including any material, compound, mixture, or preparation which contains any quantity of the added substances having stimulant or depressant effect on the central nervous system. The measure also adds Lormetazepam and Nifoxipam to the list of Schedule IV drugs. The measure also expands the definition of "dispenser" to include somebody who distributes Schedule III, IV, or V controlled dangerous substances.
