

BILL SUMMARY
2nd Session of the 60th Legislature

Bill No.:	HB 3784
Version:	POLREC
Request Number:	16101
Author:	Rep. Adams
Date:	2/8/2026
Impact:	\$0

Research Analysis

The policy committee recommendation for HB 3784 allows individuals to perform unsupervised medical micropigmentation after completing at least 6,240 hours of supervised training, provided they do not use prescription medications on clients.

Prepared By: Autumn Mathews, House Research Staff

Fiscal Analysis

HB 3784 authorizes certified individuals to perform micropigmentation without physician supervision after completing six thousand two hundred forty (6,240) supervised hours and reporting them to the State Board of Health, provided no prescription drugs are used on clients. The measure is not expected to have a direct fiscal impact on the state budget or appropriations.

Prepared By: Alexandra Ladner, House Fiscal Staff

Other Considerations

None.
