Research Analysis

HB 3790, as introduced, allows a homeowner to cancel a home solicitation contract within five days of signing the agreement.

Fiscal Analysis

House Bill 3790 creates the Oklahoma Homeowner Repair Contract Protection Act, establishing a five-day cancellation right for home solicitation contracts for repairs. The measure is purely a private rights relating to consumer protection statute. The measure does not authorize new appropriations, increase agency obligations, or alter state revenues. Therefore, the measure is not anticipated to have a direct fiscal impact on the state budget or appropriations.
