**Research Analysis**

HB 3831 as introduced, establishes that the Oklahoma Task Force 1 (OK-TF1) is to be recognized as the official deployment asset and urban search and rescue team for the state. OK-TF1 is to be the first deployed asset for any Emergency Management Assistance Compact related requests outside of Oklahoma during a declared disaster.

The measure appropriates \$5 million to the Emergency Management Assistance Compact and Rescue Out of State Deployments Revolving Fund to be used by OK-TF1 for costs incurred during in-state or out-of-state deployments. Additionally, the measure appropriates \$2 million to the Emergency Management Assistance Compact and Rescue Out of State Deployments Revolving Fund to be split between the Oklahoma City and Tulsa task force teams evenly. The Oklahoma City and Tulsa task forces teams must only use the appropriation for personnel, equipment, logistics, transportation, lodging, operational expenses, deployment readiness, and capability enhancements.
