**Research Analysis**

The subcommittee substitute to HB 3831 establishes that the Oklahoma Task Force 1 (OK-TF1) is to be recognized as the official deployment asset team for urban search and rescue missions, floods, and disasters within the state. OK-TF1 is to be the first deployed asset for any Emergency Management Assistance Compact related requests outside of Oklahoma during a declared disaster.

The measure creates the Oklahoma Task Force 1 Revolving Fund. Monies from the fund are to be used by OK-TF1 for costs incurred during in-state or out-of-state deployments and by the Oklahoma City and Tulsa task force teams for personnel, equipment, logistics, transportation, lodging, operational expenses, deployment readiness, and capability enhancements.
