Fiscal Analysis

The FULLPCS1 to HB3840 creates new restrictions on foreign ownership of land and authorizes the Office of the Attorney General (OAG) to administer enforcement actions. The measure requires the Department of Public Safety (DPS) to consult with the Oklahoma Military Department (OMD) on making designations about certain infrastructure sites, and county clerks will record certain affidavits related to the proceedings. Any costs associated with these enforcement and administrative activities are expected to be absorbed in accordance with the normal duties of the agencies involved. Therefore, in its current form, the FULLPCS1 to HB3840 is not anticipated to have a material impact on state budget or appropriations.
