Research Analysis

HB 3891 as introduced, establishes that the county excise board is to set the salaries for all elected county officials. The measure also establishes that the basic salary for the sheriff and county commissioners is to be no less than the salary of other elected county officials and sets the basic salary for all elected county officials to no less than \$60,000. If the county budget is insufficient in meeting the basic salary for all elected county officials, the Oklahoma Department of Transportation must utilize funds from the County Improvements for Roads and Bridges fund to cover the remaining cost. The measure repeals [Title 19 Section 180.63](#), which relates to Increase to Basic Salary.
