**Fiscal Analysis**

House Bill 3940 amends statutory language relating to militia and the Oklahoma National Guard, including updates to the National Guard CareerTech Assistance Act and provisions relating to the Oklahoma National Guard Museum Fund. The measure updates eligibility requirements and financial structures under existing programs. No revenue sources are altered, nor are any new appropriations required by the new language. Any fiscal impact would be dependent on future funding availability and policy decisions. Therefore, the measure is not anticipated to have a direct fiscal impact on the state budget or appropriations.
