Prepared By: Brad Wolgamott

Fiscal Analysis

House Bill 4266 amends statutory language by adding certain license plates to an existing list of special license plates implemented by Service Oklahoma. The new license plates will be governed by the same fee structure as those already existing pursuant to the statute. Therefore, any costs associated with implementation of the measure are expected to be absorbable within existing budgetary resources and no direct fiscal impact on the state budget or appropriations is anticipated.

Prepared By: Zach Lein, House Fiscal Staff

Other Considerations

None.
