

BILL SUMMARY
2nd Session of the 60th Legislature

Bill No.:	HB 4294
Version:	INT
Request Number:	15635
Author:	Pae
Date:	2/16/2026
Impact:	Please see previous summary of this measure

Research Analysis

HB 4294, as introduced, requires all individual and group health insurance policies to provide the same coverage benefits to any individual diagnosed with epilepsy as they would to those who have not. No insurer can terminate coverage or refuse to renew based on an epilepsy diagnosis. Additionally, policies must provide coverage for seizure prevention or protection devices or surgeries or other medical procedures if they are prescribed and deemed medically necessary.

Prepared By: Suzie Nahach, House Research Staff
