Research Analysis

The proposed policy committee substitute to HB 4434 requires the Governor, and any officer serving as acting Governor, to electronically notify the next officer in the line of succession if they plan to be absent from the state. The electronic notification must be sent at least 24 hours in advance and include the departure and return dates and times. In the case of an emergency, the notification must be sent before leaving.

Fiscal Analysis

HB 4434 in its current form requires certain efforts of the Governor. Such efforts are minimal and are expected to be absorbable within existing budgetary resources. The measure is not anticipated to have a direct fiscal impact on the State Budget or Appropriations.
