

BILL SUMMARY
1st Session of the 60th Legislature

Bill No.:	SB 20
Version:	CS
Request Number:	13636
Author:	Rep. Wilk
Date:	5/7/2025
Impact:	\$0

Research Analysis

The committee substitute creates the Oklahoma Secure Roads and Safe Trucking Act of 2025. The measure provides that a non-domiciled commercial driver license or non-domiciled commercial learner's permit issued by any other state shall not be considered valid authorization to operate a commercial motor vehicle in Oklahoma. Any person operating a commercial motor vehicle must possess a valid commercial driver license from the United States, Canada or Mexico and a valid work visa and proof of citizenship of the country that issued the license. Proof of citizenship is to be shown by presentation of a birth certificate or valid passport. The measure prohibits the holders of a B-1, B-2, or B-1/B-2 nonimmigrant visitor visa from operating a commercial motor vehicle. The measure provides a penalty of up to \$2,000 for violations. A fine for violation is to be paid into the Weigh Station Improvement Revolving Fund. The measure requires an operator of a commercial motor vehicle to demonstrate sufficient proficiency of the English language.

Fiscal Analysis

The committee substitute to SB 20 creates the Oklahoma Secure Roads and Safe Trucking Act of 2025. The measure prohibits operation of commercial motor vehicles in Oklahoma by drivers possessing certain non-domiciled commercial licenses or permits. The measure provides for a fine of up to \$2,000 for deposit into the Weigh Station Improvement Revolving Fund. However, the measure does not mandate any action or expenditure by a state agency; therefor, the measure is not anticipated to have a direct fiscal impact on the state budget or appropriations.
