**Fiscal Analysis**

The conference committee report to SB 209 restores title and enacting clause to the measure. Upon review, this report has no impact to the current fiscal analysis of the measure.

Engrossed SB 209 creates the Taiwan Regional Trade Office under the purview of the Oklahoma Department of Commerce. Per the Department of Commerce, initial costs of the office are expected to be covered by remaining funds available in the PREP international recruiting fund. Therefore, there is no expected fiscal impact on FY-26 budgetary resources as a result of this measure.
