Fiscal Analysis

The Engrossed version of SB574 authorizes the Office of the Attorney General (OAG) to utilize Political Subdivisions Opioid Abatement Grants, and limits certain use of the Oklahoma Opioid Abatement Revolving Fund monies. According to officials with the OAG, the agency already staffs the Opioid Abatement Board and manages the grant program on its behalf and the changes in the measure do not require any additional resources from the agency. Therefore, in its current form, SB574 is not anticipated to have a material impact on state budget or appropriations.
