Fiscal Analysis

The Engrossed version of SB634 adds 7 Executive Directors of state agencies to the Impaired Driving Prevent Advisory Committee. As set forth in the measure, members of the Committee who are otherwise employed by a state agency shall serve without additional compensation, but are entitled to reimbursement for any actual and necessary traveling expenses in accordance with the State Travel Reimbursement Act from the employing agency. Any such expenses related to these travel reimbursements are expected to be minimal and administered through existing budgetary resources within the respective agency. Therefore, in its current form, this measure is not anticipated to have a material impact on state budget or appropriations.
