Fiscal Analysis

The Engrossed version of SB690 sets forth provisions that would allow certain inmates that are being detained in county jails to earn achievement credits in specific circumstances. The measure also updates other statutory language, such as changing the term "juvenile pornography" to "child sexual abuse material," and replaces gender neutral language with the pronouns "his or her" throughout the measure. In its current form, this measure is not anticipated to have a material impact on state budget or appropriations.
