**Research Analysis**

Engrossed SB 752 eliminates the requirement for a vendor to be authorized by a state contract in order to work with a board of county commissioners to establish an online bidding process.

**Fiscal Analysis**

Engrossed SB 752 removes the state contract authorization requirement for a vendor to work with a board of county commissioners in establishing an online bidding process. The measure deals exclusively with the local county level bidding process, and it does not mandate any action or expenditure by a state agency. Therefore, the measure is not anticipated to have a direct fiscal impact on the state budget or appropriations.
