**Research Analysis**

SB 837 authorizes Service Oklahoma to enter into a licensing agreement with the Oklahoma Zoological Society for any licensing fee which may be required in order to use the Oklahoma Zoological Society's logo or design. The licensing agreement is to provide for payment to the Oklahoma Zoological Society not more than \$20 for each license plate issued. The measure authorizes the creation of a motorcycle plate for the Greenwood Historical District license plate and provides that the Greenwood Historical District License Plate is to be designed in consultation with Tulsa Juneteenth, Inc. The measure removes the \$2 fee deposited in the Public School Classroom Support revolving fund and increases the amount deposited in support of the Tulsa Juneteenth Festival from \$25 to \$27.

**Fiscal Analysis**

Engrossed SB 837 authorizes Service Oklahoma to enter a licensing agreement with the Oklahoma Zoological Society for the Oklahoma City Zoo License Plate. The licensing agreement shall provide for payment of \$20.00 or less to the Oklahoma Zoological Society per license plate issued. The Oklahoma Zoological Society is not an appropriated state agency. Any costs to Service Oklahoma associated with implementation of the measure are anticipated to be minimal and absorbed by existing agency resources. Therefore, the measure is not anticipated to have a direct fiscal impact on the state budget or appropriations.
