Bill Analysis

HB 2011 creates the Fighting Chance for Firefighters Act. The measure creates an income tax credit equal to the unreimbursed cost incurred by a firefighter for the cost of medical procedures to detect any form of cancer beginning in tax year 2026. The individual credit is capped at \$250.00 and shall not be refundable. The credit may be carried forward up to 5 years. The measure caps the statewide awards for the credit at \$1.5 million beginning in tax year 2028.
