

Bill Summary
2nd Session of the 59th Legislature

Bill No.:	HB 2160
Version:	CS
Request No.:	2061
Author:	Sen. Coleman
Date:	04/25/2025

Bill Analysis

HB 2160 modifies various regulations relating to franchise agreements of new motor vehicles and powersport vehicles. The measure broadens regulated entities to include factories. The measure clarifies that new powersports dealers and salespersons are regulated entities. The measure removes new powersports dealerships from the provisions which require refusal when the franchise is subject to sale. The measure outlines conditions of sale of a dealership when more than one dealership is owned in whole or in part by the selling dealer. The measure outlines procedures regarding the treatment of deficiencies during compliance periods prior to any termination of agreement.
