Bill Analysis

SB 1127 appropriates \$500,000.00 from the General Appropriations Bill to the Office of Educational Quality and Accountability to provide grants to school districts to provide a cellphone-free educational environment. Monies from the grant may be used to purchase devices or equipment in which students enrolled in a grant recipient school site can store their cell phones during the school day. The Office may negotiate and enter into a contract with a vendor to offer a state rate price to grant recipient school sites in conjunction with the Office of Management and Enterprise Services.
