

Bill Summary
2nd Session of the 60th Legislature

Bill No.:	SB 1215
Version:	INT
Request No.	2397
Author:	Sen. Sacchieri
Date:	12/04/2025

Bill Analysis

SB 1215 prohibits any state governmental entity or public trust from entering into any agreement with a person or entity that would prohibit the disclosure of the terms of any agreement with such entity to make payment to or confer value upon the entity using an incentive, tax credit, or other similar benefit offered to the entity if the benefit is provided through the use of state taxes. The measure specifies that it shall not require the disclosure of proprietary information.
