**Bill Analysis**

SB 1229 provides that personally identifiable information submitted during the application process for a REAL ID Noncompliant Driver License or Identification Card shall be stored in a separate and siloed database from the database used to store personally identifiable information provided to receive a REAL ID Compliant Driver License or Identification Card. Applicants for a Noncompliant Driver License or ID Card may request a biometric data waiver from Service Oklahoma. The measure directs Service Oklahoma to delete the all personally identifiable information and any duplication of such information related to the waiver within 90 days as well as refrain from providing the data to third-party entities. Applicants with a felony on their record shall not be eligible for the waiver. Applicants may also request the issuance of a Noncompliant License or ID Card without a photo.

Service Oklahoma shall attest to its compliance with the provisions of this measure every 6 months to the President Pro Tempore of the Senate, Speaker of the House, and Governor. The Chief Information Officer of the Information Services Division of the Office of Management and Enterprise Services and the State Auditor and Inspector shall annually perform a joint review of Service Oklahoma's compliance. If Service Oklahoma is found to be out of compliance, the Executive Director of Service Oklahoma shall be removed from office effective on the date the review was reported to the Governor, the President Pro Tempore of the Senate, and the Speaker of the House of Representatives.
