Bill Analysis

SB 1246 requires the Department of Environmental Quality to publish information instructing the public on how it may view documents, subscribe to updates, and receive electronic notice of public participation opportunities related to pending Tier II applications and agency decisions. Such notification shall be published on the Electronic Environmental Permit Application Docket on the Department's website. Tier III applications shall include electronic notifications and publication of denials, responses to comments, and opportunities for an administrative permit hearing on the Electronic Environmental Permit Application Docket on the Department's website. The measure strikes language requiring the Department to post notice of such opportunities and hearings in a local newspaper.
