

Bill Summary
2nd Session of the 60th Legislature

Bill No.:	SB 1329
Version:	INT
Request No.	2602
Author:	Sen. Hicks
Date:	12/30/2025

Bill Analysis

SB 1329 requires health care providers conducting a visit with a woman who is a Medicaid member or her infant during the postpartum period to conduct a mental health screening of the woman to check for signs of postpartum depression. Such screening shall be reimbursable by the Medicaid program. The measure directs the Oklahoma Health Care Authority to seek all necessary approval to implement the provisions of this measure.
