Bill Analysis

SB 1333 directs the Oklahoma Water Resources Board to establish and administer a Water Infrastructure Enhancement Program. The program shall provide grants to communities in need, deploy a water education outreach campaign, incentivize regional water system planning, deploy environmental compliance programs, and expand current programs. The measure creates the Water Infrastructure Enhancement Revolving Fund to be managed by the Board. The measure allocates 20% of the fund to Rural Economic Action Plan grant program as well as 10% to support technical assistance, regional planning, and outreach programs. The measure allocates 50% to the Oklahoma Water Resources Board Low-Interest Revolving Fund and 20% of the fund to launch a site-ready grant program. The measure appropriates \$50 million to the Water Infrastructure Enhancement Revolving Fund. The measure also creates the Oklahoma Water Resources Board Low-Interest Revolving Fund.
