

Bill Summary
2nd Session of the 60th Legislature

Bill No.:	SB 1343
Version:	FS
Request No.:	3725
Author:	Sen. Stanley
Date:	03/02/2026

Bill Analysis

SB 1343 requires vision insurers to not in any manner impact the pricing of noncovered services or materials and provide standard reimbursements for all lenses with the same design, quality, and composition. Such insurers may not use extrapolation to complete an audit of a vision care provider or incentivize patients to receive vision care services at an entity owned wholly or in part by the insurer.
