**Bill Analysis**

SB 1375 requires students to complete one computer science unit with foundational instruction in emerging technologies including artificial intelligence in order to graduate from high school beginning with students entering the eighth grade in the 2027-2028 school year. It allows the computer science unit to meet other graduation requirements. The bill also repeals duplicate versions of a section of law relating to curriculum requirements.

**Repealer: 70 O.S. Section 11-103.6**
