

Bill Summary
2nd Session of the 60th Legislature

Bill No.:	SB 1421
Version:	INT
Request No.	3040
Author:	Sen. Dossett
Date:	01/06/2026

Bill Analysis

SB 1421 provides that all clinical and direct care staff as well as volunteers providing direct care to children in a facility or program that is certified by the Department of Mental Health and Substance Abuse Services shall receive nonphysical intervention training. Such persons shall be required to complete the training at least within 30 days of being hired and shall not participate in an intervention of a minor child without first completing the training.
