

Bill Summary
2nd Session of the 60th Legislature

Bill No.:	SB 1427
Version:	INT
Request No.	2649
Author:	Sen. Hicks
Date:	01/06/2026

Bill Analysis

SB 1427 requires every child in the state to be screened by his or her primary health care provider for type 1 diabetes at least once when the child is 5 years of age and once again when the child is 12 years of age. Such screenings shall be reimbursable under the state Medicaid program. The measure directs the State Department of Health to seek grants and other funding opportunities to support the screenings.
