

Bill Summary
2nd Session of the 60th Legislature

Bill No.:	SB 1439
Version:	INT
Request No.	3418
Author:	Sen. Daniels
Date:	01/07/2026

Bill Analysis

SB 1439 creates the Energy Security and Independence Act. The measure prohibits causes of action against producers, manufacturers, and sellers of fossil fuels when the product functions as designed. Covered civil liability actions relating to climate change and greenhouse gas emissions are prohibited from being brought to any court in the state. The measure also provides that current actions relating to such issues shall be dismissed upon the effective date.
