

Bill Summary
2nd Session of the 60th Legislature

Bill No.:	SB 1497
Version:	INT
Request No.	2960
Author:	Sen. Hines
Date:	01/09/2026

Bill Analysis

SB 1497 modifies requirements for the alternate diploma for students with the most significant cognitive disabilities by requiring a fourth unit or set of competencies in mathematics. It also modifies, conforms, and repeals duplicate versions of the section of law providing curriculum requirements for graduation.
