Bill Analysis

SB 1510 requires the owner and operator of a wind or solar energy facility to file a \$100,000.00 surety bond with the Secretary of State prior to the facility's construction. The Secretary shall hold the bond for the benefit of the landowners of the state and shall ensure that such security is in a form readily payable to a landowner awarded damages. Each bond shall be accompanied by a \$10.00 filing fee. The bond shall remain for as long as the operator continues wind or solar energy operations in the state.
