Bill Analysis

SB 1588 provides that the Address Confidentiality Program shall be staffed by unclassified employees who have been subjected to a criminal history records search. The measure authorizes medical care providers who report a crime to apply to the Attorney General to have an address designated by the Attorney General serve as the address of the person. The application shall include a sworn statement that the provider has good reason to believe that he or she is a victim of a crime as well as a designation of the Attorney General as agent for purposes of service of process and for the purpose of receipt of mail. Adults or minor children who reside with an applicant who also needs to be a program participant in order to ensure the safety of the applicant may apply. Applicants shall be certified by the Attorney General for 4 years. The measure authorizes the Attorney General to cancel certification upon the applicant changing his or her address.
