Bill Analysis

SB 1656 specifies that each person shall have the right to refuse any vaccine, medication, microchip, external tracker, or any other manufactured product. The measure prohibits any state entity, business, school district, or political subdivision from requiring any person to receive a vaccine, medication, microchip, or external tracker as a condition of employment, receiving public services, or admittance. The measure provides that any person or entity violating the provisions of this measure shall be civilly liable.
