Bill Analysis

SB 1660 prohibits the court from issuing any order in relation to imposing restrictions on custody orders on a Saturday or Sunday or past 10:00 a.m. on a Friday, unless the judge who issues the order remains available by cell phone during such time to the parent or legal guardian, legal representatives of the parent or legal guardian, and legislators. The measure also directs the court ordering the release of a child from the custody of the Department of Human Services to the child's parent, legal guardian, or custodian to order the Department to pay damages to the family equal to 7 times the payment the Department is entitled to receive from the federal government for the care of the child.
