**Bill Analysis**

SB 1740 creates the Anti-Perverse Incentive Act. The measure requires any fine or fee collected against an individual or business by a state agency to be deposited into the General Revenue Fund. Monies deposited in this manner shall be distributed in the usual manner regardless of amount or origin of the fees deposited. The measure prohibits any fine or fee assessed against an individual or business from being assessed without an appeals process. The measure establishes a \$1,000.00 fine or a fine equal to the amount that would have been levied, whichever is greater, for any state employee that abuses their authority to assess a fine or fee.
