SB 1813 enters the state into the Athletic Trainer Compact. The Compact shall provide for the state to cooperate in mutual recognition of athletic trainers and share disciplinary actions to relevant states. The Compact also creates the Athletic Trainer Compact Commission to manage a Data System and reporting system. Each state shall be entitled to one Commissioner selected by that Member State's Licensing Authority to represent them on the Commission. The measure directs each member state to report any adverse action taken against a licensee to the Commission. The Compact shall authorize licensees of member states to practice remotely in Compact states.
