Bill Analysis

SB 1869 strikes language designating the Oklahoma Educational Television Authority as an instrumentality of the state. The measure also strikes language authorizing the Authority to issue bonds and receive appropriations from the Legislature. The measure also strikes authorization for the Authority to designate its own office space and places such authority with the Office of Management and Enterprise Services. The measure prohibits transferring any monies that have previously been appropriated by the state to the Authority. The measure transfers all previously appropriated monies from the Authority to the Healthy Parks Healthy Minds Fund. All office space of the Authority shall be leased to the Authority, with all proceeds transferred to the Healthy Parks Healthy Minds Fund. The measure repeals various statutes relating to the powers and duties of the Authority. The measure also repeals the Authority's tax exempt status.
