

Bill Summary
2nd Session of the 60th Legislature

Bill No.:	SB 1892
Version:	INT
Request No.	3043
Author:	Sen. Standridge
Date:	01/21/2026

Bill Analysis

SB 1892 repeals language directing administration of the Oklahoma Prevention Needs Assessment Survey. It also modifies language directing public school districts to maintain protocols for responding to students in mental health crisis by removing language directing districts and mental health provider partners to include the survey information in the development of protocols.

Repealer: [70 O.S. Section 24-158](#)
