Bill Analysis

SB 1955 modifies the authority of the Oklahoma Horse Racing Commission. The measure directs the Commission to promulgate rules to establish the terms and requirements for obtaining and maintaining an advance deposit account wagering license. An advance deposit account wagering license authorizes the holder to conduct a form of pooled system of wagering. The measure requires an advanced deposit account wagering provider that accepts funds from an Internet Protocol (IP) address to obtain licensure from the Commission.
