Bill Analysis

SB 1960 prohibits any municipality, county, or state agency from giving deferential treatment on any metrics that consider an applicant's race, color, religion, sex, national origin, age, disability, or other immutable characteristics. No municipality, county, or state agency, may hire to hire a particular applicant in order to achieve any goals to increase diversity, equity, or inclusion in the workplace nor may it establish an office pertaining to diversity, equity, or inclusion.
