

Bill Summary
2nd Session of the 60th Legislature

Bill No.:	SB 1974
Version:	INT
Request No.	2304
Author:	Sen. Hicks
Date:	01/22/2026

Bill Analysis

SB 1974 modifies language related to the provision of special education and related services to students in public schools. It provides for eligibility for services, procedures for a parent or legal guardian to request an evaluation or reevaluation, a requirement for prior notice to a parent or legal guardian, and individualized education program (IEP) team meeting procedures. It directs the State Board of Education to establish policies and procedures regarding procedural safeguards. It provides for due process complaints, due process hearings, and dispute resolution including mediation options.
