Bill Analysis

SB 2051 creates the Oklahoma Research Attraction Program (ORAP) to be administered by the Oklahoma State Regents for Higher Education to promote increased research capacity at eligible institutions of higher education by providing matching grant funds to leverage private gifts. It directs matching grants to be used only for the support and maintenance of educational and general activities. It allows a grant to be used in fiscal years following its receipt. The measure also creates the Oklahoma Research Attraction Program (ORAP) Revolving Fund.
