

Bill Summary
2nd Session of the 60th Legislature

Bill No.:	SB 2068
Version:	INT
Request No.	3342
Author:	Sen. Pugh
Date:	01/27/2026

Bill Analysis

SB 2068 requires each public school district to create a library advisory committee for each grade level offered by the district. It requires each committee to be comprised of a board of education member, a teacher of the applicable grade level, and the parent or legal guardian of a student enrolled in the grade level. It directs the committee to review currently available, and approve new, print and nonprint materials, multimedia resources, equipment, and supplies.
