2nd Session of the 60th Legislature

Bill No.:	SB 2101
Version:	INT
Request No.	3491
Author:	Sen. Deevers
Date:	01/27/2026

Bill Analysis

SB 2101 creates the Oklahoma Medicine Injury Justice Act. The measure provides that any pharmaceutical company whose products are proven to directly cause harm to an Oklahoma citizen shall be liable for damages. Such companies may also be prosecuted for gross negligence, fraudulent concealment, reckless disregard for safety, or intentional harm. The measure specifies that immunity provided by certain federal laws shall not apply to claims brought in state courts.
