

Bill Summary
1st Session of the 60th Legislature

Bill No.:	SB 260
Version:	INT
Request No.	1027
Author:	Sen. Mann
Date:	01/02/2025

Bill Analysis

SB 260 creates the Oklahoma Infrastructure Long-Range Planning Commission under the Oklahoma Department of Commerce. The Commission shall be comprised of 12 members. The Commission shall submit a report to the President Pro Tempore of the Senate, Speaker of the House, and Governor not later than November 1, 2026, detailing economic development trends and the long-term infrastructure needs for the state. The report shall be resubmitted every 5 years thereafter.
