| Bill No.: | SB 493 |
| Version: | INT |
| Request No. | 713 |
| Author: | Sen. Standridge |
| Date: | 01/13/2025 |

Bill Analysis

SB 493 modifies the route of the route of the turnpike originally slated to begin in the vicinity of Mustang. The measure provides that the turnpike shall instead begin at the intersection of Interstate 40 and the Kickapoo Turnpike east of Lake Thunderbird State Park. The end of the turnpike is also moved from Norman to Slaughterville. The measure prohibits any section of the turnpike from being placed west of Lake Thunderbird State Park.
