

Bill Summary
1st Session of the 59th Legislature

Bill No.:

SB 562

Version:

HASB

Author:

Sen. Alvord

Date:

05/14/2025

Bill Analysis

SB 562 expands the types of vehicles a bus transportation company may operate to include vans, cars, railcars, locomotives, trolley cars, ferry boats, and vehicles used for transporting the public. The measure also adds passengers of rolling stock transit vehicle to the list of persons relating to felonious assault and battery.

House Amendments

HA's to SB 562 removes "support services" and replaces it with "transporting the public" as it relates to the list of vehicles outlined in the measure.
