<b>Request No.</b>	<b>2530</b>
<b>Author:</b>	<b>Sen. Bergstrom</b>
<b>Date:</b>	<b>01/13/2026</b>

**Bill Analysis**

SJR 30 submits to a vote of the people a constitutional amendment that limits the annual growth of the fair cash value of real property to 5% and further limits the growth to 3% for real property for which a homestead exemption is granted and real property classified as agricultural land. The measure would reduce those limits to 3% and 2%, respectively.
